REMARKS

In response to the Office Action mailed June 3, 2009, Applicant thanks the Examiner for the allowance of claims 1-9.

Objections to the Drawings

The drawings were objected to in the Office Action because Figs. 1-5 should be designated as prior art.

The drawings were also objected to because there were no text labels for elements (12), (14), (22), (30), (42), (44) and (46). Further, line (60) of Fig. 8 was objected to as not being continuous. Applicant has herein submitted replacement sheets wherein the legend "Prior Art" has been added to Figs. 1-5, labels have been added to elements (12), (14), (22), (30), (42), (44) and (46) and line (60) of Fig. 8 has been made continuous.

Accordingly, withdrawal of these objections is respectfully requested.
